Welcome to our final session of Hobie Camp. We have a lot of exciting things planned.

During the first week we will be preparing for our 80's dance party on Friday, July 30th. During the week the kids will be learning crazy dances, making exciting things, and learning how to rock out!

On Tuesday, July 27th we will be tie dying. Please send your child to camp with a shirt (Hobie shirts would be perfect) with their name written in it. We will send the shirts home to be washed and worn for our 80's dance party.

there will be a Lobster Tail Pre Team swim meet. Please drop your child off at camp (on time) as usual. We will take the children down and watch them during the meet.

The second week of camp will be our first Hobie Camps Got Talent. During the week we will be preparing for our Talent show that will take place on Friday, August 6th.

There will be an away Lobster Tails Meet on Tuesday, August 3rd at the New Canaan Field Club. The swimmers need to be there at 9:00. **Please note that it is the parents responsibility to take their swimmer to the meet.**

This session we would like to welcome back Keith Alan Productions hosting Camp-ordy on Wednesday, August 4th. Last year they were a big hit!

Please take caution when driving in the grove. There are many small children around during drop off and pick up. When stopping your car, please make sure that you are pulled all the way over so cars can pass. This will alleviate back ups in the grove.

I would like to take this opportunity to thank you for another outstanding season of Hobie Camp.
